Your paint code is usually on a metal plate, the size of a wallet – please see below the possible locations the code plates are usually found on your vehicle.

What does your Land Rover paint code look like?

Land Rover codes usually start with LRC and then either 3 or 4 digits which can be letters or numbers and often share the same codes with Jaguars. Code examples would be: **1AF, 820, JHB**

We can also match to the exact colour name, for example: **Santorini Black, Yulong White, Stornoway Grey**
